Certificate

The listed infrared heating panel ranges have been assessed by Peutz (declaration BT 1332-1E-NO-001) and certified by the Indoor Climate Center (Binnenklimaatechnik), according to the requirements of the EIHA Quality Label Infrared (v. 01/2024) from the European Infrared Heating Alliance (EIHA). The following requirements have been met:

- The products are CE-certified
- The products are manufactured in compliance with European Factory Inspection Procedure ECS/CIG 021 – 024 or equal
- The products are classified and tested in accordance with IEC 60675-3:2020 and meet the radiation efficiency requirements
- The products are compliant with COMMISSION REGULATION (EU) 2015/1188 of 28 April 2015

Rijswijk, the Netherlands, September 24th 2024

**Signed,
Indoor Climate Center**

A handwritten signature in blue ink, appearing to be "R. D. Hompe", is written over a large, faint watermark of the EIHA logo.
